

What You Can Learn from Angels

How Following in the Footsteps of Angels Can Add Joy to Your Life on Earth!

Personal protectors... Divine messengers... pure Spirit... seraphim and cherubim... agents of God... We all have an idea of what angels are and what they should look like. But even with all the interest in angels, with their depiction in TV shows and movies like *Touched by an Angel* and *City of Angels*, is there something about them we've missed?

In this remarkable, inspiring course, Dr. Frederic Flach, a practicing psychiatrist and internationally acclaimed author, will reveal the very specific attributes of angels that we humans would do well to follow. You'll learn how the wisdom of angels can help you to:

- Become more loving and generous
- Strengthen your mental and physical well-being
- Make better choices
- Become a real support to others
- Enhance self-knowledge, even use your mind more efficiently
- Communicate more effectively and understand what others are trying to communicate to you
- Become a more spiritual person.

Discover how these ultimate role models can help you lead a happier, healthier and more fulfilling life on Earth and in the hereafter!

Frederic Flach, M.D., is author of The Secret Strength of Angels and the bestselling The Secret Strength of Depression. He's an adjunct associate professor of Psychiatry at Cornell University Medical College and attending psychiatrist at the Payne Whitney Clinic of the New York Hospital and St. Vincent's Hospital and Medical Center.

Hand Analysis

Discover Your Life Purpose in Your Hands!

Did you know it's possible to uncover your life's purpose through an analysis of your hands? If you'd like to know what else you could be doing with your life, this class is for you!

Scientific research tells us that the shape, proportions and markings of our hands start forming very early in our development. These qualities create a topographic map and a "blueprint" of our lives that we can all read.

Join hand-analysis expert Mark Seltman for a fascinating, "hands-on" seminar designed to help you discover your own blueprint — and create deeper satisfaction in all areas of your life. You'll learn how to:

- Decode the formula of character
- Read your own print markings and those of others
- Better understand your strengths and weaknesses
- Use hand analysis to gain information on career choices, intimate relationships, sexuality, creativity, intuition, health, etc.
- Gain important insights into your past, present and future!

Mark Seltman is a professional hand analyst, astrologer and writer. He's analyzed the hands of thousands of people seeking insights into their work, relationships and health, lectured widely at universities and been featured in newspapers, magazines and on TV worldwide.
